1. There are currently no capacity restrictions for indoor or outdoor events.
2. Masks are not required for fully vaccinated guests.
 - Guests that are not fully vaccinated or have not been vaccinated are asked to still wear a mask.

GUESTS/HOST GUIDELINES

We still ask guests and hosts at the ProRodeo Hall of Fame to utilize best practices to help stop the spread of COVID-19:

1. Guests/hosts that have been in close contact with a person suspected or confirmed to have COVID-19 or have symptoms of COVID-19 are asked to stay home and self-quarantine.
2. Guests/hosts will be encouraged to wash their hands frequently.
3. Hand sanitizing stations must be available at the entrance to venues and at the buffet.
4. Self-serve food stations and/or buffets are allowed. However, to reduce the risk of spreading the virus, we encourage you to work with your caterer to supply catering staff to serve food to guests.

VENUE, EMPLOYEES, AND HIRED VENDOR GUIDELINES

1. Employees/vendors that have been in close contact with a person suspected or confirmed to have COVID-19 or have symptoms of COVID-19 are asked to stay home and self-quarantine.
2. Employees and vendors will be encouraged to wash when they first arrive, multiple times during the event, and before they leave. They need to self-temperature check before they arrive at the venue.
3. Employees and vendors are not required to wear a mask if they are fully vaccinated.
